

## ENVIRONMENTAL POLICY STATEMENT

The Company believes that all of its activities and operations, including that on the rail infrastructure, have an impact upon the environment and that environmental issues are of critical importance.

This Policy Statement endorses the Company's commitment to continuous environmental improvement to be environmentally friendly, to demonstrate sound environmental performance, to take preventative measures in reducing pollution and take action that will lead to environmental sustainability. It applies to all its activities and their effect on the Company's employees, clients, the general public and global environment.

It is the Company's aim to achieve its Policy objectives by striving towards:

- 1) Measuring and monitoring the impact of all of its activities upon the environment.
- 2) Analysing its impact upon the environment and particularly its:
  - a) Use of energy
  - b) Use of water
  - c) Use of land
  - d) Use of other natural resources
  - e) Production of waste
  - f) Issue of pollutants including those
    - Released into the atmosphere.
    - Released into the water and sewerage systems
    - Released on or into the land
  - g) Production of noise, odour, dust and vibration
  - h) Visual impact of activities
  - i) Effect on eco-systems
  - j) Safe and effective disposal of plant, equipment and other physical property.
- 3) Planning its activities, services and products to minimise any adverse impact upon the environment.
- 4) Comply and, wherever possible, exceed the requirements of Legislative Environmental Standards.
- 5) Training its employees to be environmentally aware, environmentally responsible and continuously work towards environmental sustainability.
- 6) Encourage all persons and organisations, and organisations with which the Company has contact, to become environmentally aware and environmentally responsible.
- 7) Communicate and, whenever appropriate, share its environmental experiences and resulting techniques and solutions.
- 8) Continual improvement of economic performance within the Company.
- 9) Maintain and review the Environmental Impacts and Aspects Register.

This Policy Statement shall be briefed to all L & W Contractors Ltd employees and made available to the public. A copy of this Environmental Policy Statement is also included in the Staff Induction Handbook, a receipt for which all staff must sign.

This Policy Statement shall be reviewed on a regular basis by L&W Contractors Ltd management.
