### POS Representative/MC/CC – South East

L&W Contractors Ltd are a family run SME, with over 25 years of experience as a supplier of plant vehicles, equipment and personnel for the rail and construction industries. We are proud to be a supplier for Network Rail and are always committed to providing an unbeatable quality service to our customers.

We are looking to recruit a POS Representative/MC/CC in the South East to join our team on a full-time permanent basis. We also have Zero-hour positions available.

#### Main Responsibilities

- The on-site management and point of contact for all POS operations, including liaising with the Principal Contractors site representatives
- Ensuring all work with OTP's on site is completed safely and as per the lift plan
- Responsible for completing all POS paperwork/documentation prior to any commencement of work
- To be able to give clear and concise briefing instructions on site to the Crane Controllers/Operators before any commencement of work
- Attend Pre-work planning meetings/site visits with the Principal Contractors

#### Essential Skills

- PTS (Personal Track Safety)
- Knowledge of POS duties, including lift plans, POS paperwork and reporting requirements when working with OTP
- Knowledge of rail plant specification and understanding of the plant workings on site
- Knowledge of working with or around OTP
- Machine Controller/Crane Controller
- The ability to work on their own initiative and as part of a team
- Good problem-solving skills and the ability to plan ahead
- Ability to identify hazards, risks and sources of site information that are applicable to OTP, including, ALO Working and working near live OLE/CRE

#### Desirable Skills

- Ideally Tandem Lifter
- Ideally COSS

#### Salary

Banded pay scale dependant on competencies
